

## **The structure and growth of fault zones**

Dr. Giovanni Camanni

12 hours – 3 CFU

### **Short Program of the Course:**

- Segmented nature of fault zones and relay zone evolution (3 hours)
- Modes of fault zone growth (3 hours)
- Fault-related deformation (3 hours)
- 3D fault zone structure (3 hours)

**Prerequisites:** Basic knowledge of Structural Geology, and, in particular, of Brittle Tectonics
